**Shri A. A. D. Luiz :** Is there any particular reason for the Anglo-Indians in this State to be differentiated from the Anglo-Indians elsewhere in India with regard to representation on this Board?

**Shri A. J. John :** They are not differentiated.

## Grants to High Schools.

*6. [6] **Shri A. A. D. Luiz :** Will the Chief Minister be pleased to state :

(*a*) whether grants payable to the Infant Jesus Boys' High School and the Our Lady of Mount Carmel High School (both at Thangasseri) have been withheld for the past one year ;

(*b*) is there any particular reason for the delay ?

*Chief Minister* (**Shri A. J. John**) :

(*a*) Yes.

(*b*) The grant was withheld as these schools did not accept the private Secondary Schools Scheme. However, when the Anglo-Indian Community made their representations, their case was specially considered by Government and orders have been issued to give the grant at the rates given to them formerly by the Madras Government.

**Shri A. A. D. Luiz :** Does the Government realise that there are specific provisions for Anglo-Indian Schools under the Constitution ?

**Shri A. J. John :** Yes, there is Article 337.

**Shri A. A. D. Luiz :** May I know then why Government is maliciously dealing with these schools ?

**Shri A. J. John :** There is no question of malice.

**Shri P. S. Nataraja Pillai :** May I know whether the provisions of Article 337 of the Constitution are being strictly followed in giving the grant ?

**Shri A. J. John :** The Madras Government was giving a certain amount as grant. This Government had to accept that position and give grant, this grant amount being reduced by 10 per cent every third year.

**Shri P. S. Nataraja Pillai :** Is it that after 3 years 10 per cent should be reduced from the grant ?

**Shri A. J. John :** That is what I stated.
